Murfreesboro Abandoned by the Rebels.

TENNESSEE RIVER OPEN TO TRADE.
UNION FEELING REPORTED IN NASHVILLE.
COLUMBUS EVACUATED BY THE REBELS AND THE CITY BURNED.

THE REBELS IN NORTH WESTERN VA.

NEW YORK, 3d. The Times' Washington dispatch says that Gen. Buell telegraphed to Gen. McClellan last night that the rebels have abandoned Murfreesboro, and are in full retreat towards the Tennessee river. Crossing this river will place them in Alabama, and free Middle Tennessee of every armed force.

Inasmuch as the enemy retreat along a railroad line, and tear up the rails as they pass, it will be difficult for Gen. Buell to catch them. The Tennessee and Cumberland rivers will be opened this week to free and unrestricted commerce, under the order of the Secretary of the Treasury. This measure will be a great relief to the commerce of the Western States, and a boon to the loyal people of Tennessee, who have been suffering so terribly for tea, coffee, salt, and other necessities.

WASHINGTON, 3d. The Navy Department received a letter dated Cairo, Feb. 27, from Flag Officer Foote, who says: "I have the honor to forward a communication just received from Lieut. Commanding Bryant, the substance of which I have to report. The report is that the steamer, which brings the dispatch says, 6 miles below Nashville was a battery on a high bluff with 15 guns mounted, but several were turned into the river before we arrived."

He also reports that a strong Union feeling is manifested in and near Nashville, and that Governor Harris, after vainly endeavoring to rally the citizens, left on Sunday for Memphis.

The gunboats at the mouth of the people of Nashville, and other points on the Cumberland river, and on hearing of my arrival, and supposing the gunboats would proceed immediately to Nashville they fled in confusion.

The unusually high water in the river enabled the boats to proceed to ascend.

LOUISVILLE 3d. The election at Nashville on Sunday for municipal officers passed off quietly. The retiring Mayor issued a proclamation, assuring the citizens of protection by the Federal troops, if they would quietly pursue their accustomed avocations.

NEW YORK, 3d. The Philadelphia Enquirer has the following:

It is rumored upon Scotch authority that the Division of the rebel Generals Kirby, Smith and Jackson are at Winchester, with 20,000 men, mostly Virginia militia, over 30 pieces of artillery and three thousand cavalry.

WASHINGTON, 3. The Baltimore & Ohio R. R. is being rapidly rebuilt, and will soon be completed.

Gen. Lander received unrelenting and affectionate attention during the last hours of his illness. He continued unconscious until 5 o'clock in the afternoon, when he died quietly and without pain. He expired in the arms of Brigade Surgeon Sackley, his bed surrounded by his staff and his weeping friends.

Gen. Shields has left this city to assume the command of the division lately under the command of Gen. Lander.

ST. LOUIS, 3. A special dispatch to the Democrat from Cairo, dated Feb. 27, says that the rebels have been driven from Murfreesboro, and are in full retreat towards the Tennessee river.

THE MAINE

The object of the expedition of the 9th New York regiment was to destroy the railroad bridges on Black Water and Chohan river. The enemy was discovered in large force at Winston, and no landing was made. The enemy fired at our gunboats, and in relation the town was destroyed.

The greater part of Burnside's expedition was still at Roanoke Island. General Williams' brigade, at Hattiesburg, had received orders to proceed there.

Good News from Tennessee.
WASHINGTON, Feb. 25. The Navy Department to-day received the following:

"Cairo, February 24. To Hon. Gideon Welles, Secretary of the Navy. Lieut. Commanding Foote, with the gunboat Taylor, has just arrived from Tennessee, Mississippi and Alabama, and reports the Union sentiment in South Tennessee and North Alabama to be very strong. I shall send him back to-day and will call for a regiment at Fort McHenry to accompany the gunboat, which will aid the loyal people of those States to raise Union forces with in their hands."

(Signed) A. H. Foote, Flag Officer, Commanding.
